Re: Civil Action No.: 96-2430; *Methane Awareness, et al v. USA, et al*

Dear Counselors:

As you are aware, in keeping with the mandate of the Fifth Circuit remanding the referenced matter, this Court modified its Order filed March 13, 2001. The modified Order was signed on June 5, 2001, and appears to be the last activity taken in this case. Please advise the Court as to whether all issues relative to this matter have been resolved and, whether this case should be closed.

Your prompt attention to the above is appreciated.
